2. Observation

The 3 days training was successful. The trainers were engaging and interacted very well with the Agrodealers who were also enthusiastic to learn and share with others. The Agrodealers especially were very happy for the opportunity to interact with one another and learn the challenges they face and how to overcome them. The networking and market linkages was a major plus to the Agrodealer who were ready to share and expand their businesses.

3. Key Contacts during trip *(Provide list (including names, Tel, address) of contacts made i.e. Key farmers/agrodealers, Implementing Agencies, Partners, e.t.c)*

The participants' lists are attached.
